Developed by internationally recognized horse expert Linda Tellington-Jones, Tellington TTouch® Training offers a training approach that encourages optimal performance and health. It presents solutions to common behavioral and physical problems. Tellington TTouch® trained horses demonstrate a marked improvement in ability, athletic skills and increased willingness to perform. Not only does the horse benefit, but also a deeper rapport grows between horse and rider because of increased understanding and more effective communication.

The clinic will take place at: Elevage Delgado, 835 B Chemin de St Ferréol, 84170 Monteux
